REGISTER & SUBMIT HEALTH DOCUMENTS

All enrolled incoming students are required to submit medical/immunization records. Students must register for a minimum of 12 credits.

Students who reside on campus are required to be registered full time and have all medical requirements completed prior to their arrival on campus for the Fall semester.

MEDICAL HOUSING ACCOMMODATIONS

If you require a housing accommodation for a disability, you must apply with the Office of Student Accessibility prior to move in. The office will correspond with the Office of Residence Life for approved accommodations, based on availability.

04

CONGRATULATIONS!

Housing assignments will be sent via email by early July. Continuing students are not guaranteed.

05

1. Students will have 3 days to confirm their housing once notifications are sent.
2. Students must pay their \$500 non-refundable housing deposit via **Howard StarRez** to finalize their assignment or decline.

You have now completed ALL the required steps to receive your 2025-2026 housing assignment. Continue to monitor your email for more details about arriving to campus.
